

City of Waterloo, Iowa

Garbage/Sewer/Storm Water Management Fee Reduction Guidelines

The City of Waterloo is now accepting applications from City of Waterloo residents only for the reduction of garbage/sewer/storm water management fees.

The application must be completed and returned with proof of 2018 income.

The water bill must match the applicant's name. If the water bill is in the landlord's name, please provide a copy of the lease or a letter verifying your residency signed by the landlord.

If approved, the fee reduction will be applied to your current outstanding bill. Please let us know if you have a current outstanding bill so that the Water Works can adjust it accordingly.
