

The above map shows the streets surrounding the courthouse and their corresponding meter time limits. For jury duty, please make sure to park at a meter designated with a 10 hr. limit. This will allow you to pay for the space all day. Do not park at a 2 hr. meter.

To pay for your metered space, you must first select the left or right button, based on the location of your vehicle in reference to the meter. There is a \$.25 minimum (any coin combination) to start the time. Each coin inserted following this minimum will increase the time on the meter.

If you have any questions or concerns, please contact our office at 319-291-0145, Monday-Friday between 8am and 5pm.
